Training in Cardiopulmonary Resuscitation was given in twenty-one (21) sessions to 490 Agency employees in the Headquarters, NPIC, Key and Ames Buildings. These training sessions were conducted by members of the Safety Branch and Office of Medical Services in support of the Federal Government's Safety '76 Program and will be continued through October.

[REDACTED]

Members of the Headquarters Building Evacuation Organization were briefed on their responsibilities in the event of an emergency requiring evacuation of the buildings. A film on "Safety In a High-Rise Building" was also shown to these individuals.

A Press Conference was called by the DCI on very short notice. It was attended by a large number of news media personnel including newspaper and TV photographers. This was the first news conference ever held by a DCI in the Headquarters compound. Security arrangements were accomplished and a large team of security officers assembled in very short order. The entire program was executed smoothly and without incident.

During the month security arrangements were handled for a visit to Headquarters by 193 members of the Harvard Business School Club. Security arrangements were also handled on three other occasions for visits by 22 State Department Foreign Service officers, 23 officers from the Brookings Institute and 112 employees and family members. The latter group visited on a Saturday to view the Laotian Artifacts exhibit.

PROJECTIONS

Arrangements have been initiated for a Division Seminar to be held at the [REDACTED] in early January 1976. This unusual scheduling is necessary to permit the maximum number of officers to attend. During any other given period of the year a number of officers would be away on TDY.

25X1A

The Security Survey Familiarization Course will be presented from 20-24 October 1975 as a part of the Security Officers Training Course for new security careerists.

Division officers will be departing during the month to conduct surveys at four installations in [REDACTED] and four Agency facilities in [REDACTED]
